Psalms 78:1-10, “Listen, O my people, to my instruction: Incline your ears to the words of my mouth. I will open my mouth in a parable: I will utter dark sayings of old, which we have heard and known, and our fathers have told us. We will not conceal them from their children, but tell to the generations to come the praises of the Lord. And His strength and His wondrous works that He has done. For He established a testimony in Jacob, and appointed a law in Israel, which He commanded our fathers, that they should teach them to their children, that the generation to come might know, even the children yet to be born, that they may arise and tell them to their children, that they should put their confidence in God, and not forget the works of God, but keep His commandments, and not be like their fathers, a stubborn and rebellious generation, a generation that did not prepare its heart, and whose spirit was not faithful to God. The sons of Ephraim were archers equipped with bows, yet they turned back in the day of battle. They did not keep the covenant of God, and refused to walk in His Law.” See Judges 2:6-23

Read Psalms 1, Genesis 18:19, Deuteronomy 4 and 6:4-9, Proverbs 1-9, 22:6, Luke 2:39, 40, 51, 52, Ephesians 4:11-16 and 6:1-4, 2 Timothy 3:14-17 and 4:1-5, Acts 2:42, 2:44-46,47, 5:42, 17:11, 19:9, 20:20.

It is not possible to over train, over love, or over prepare our children to love and walk with God. The Scriptures indicate that all children of God (be they adult or child) should be taught to walk in His ways on a daily basis from the time we arise from sleep to the time we return to sleep.

Our goal is to train and educate each student to walk with God such that they reach their greatest potential for growth and maturity in spiritual, physical, and academic areas. The entire Christian school staff will, as Christian professionals, seek to offer the greatest of devotion and training to all students. Using the tools of discipline and responsibility, we will assist parents in preparing students to: 1) do well in this life and society, and 2) be prepared for the heavenly life to come.

THE PHILOSOPHY OF TYRO COMMUNITY SCHOOL

INTRODUCTION

A philosophy is the basic beliefs on which an individual or corporate body bases its actions. It is not the aims and objectives. The body that comprises TCCS traces its roots to 1983. It was a group of parents who, believing that during the very formative years of

primary education, children should receive God-centered instruction, organized and founded the Tyro Community Christian School. The Tyro Christian Church Board allowed for the housing of the school in its facility.

PURPOSE AND OBJECTIVES

100

PHILOSOPHY STATEMENT

Purpose and Objectives-101

Tyro Community Christian School believes in a God-centered as opposed to a man-centered view of life. We believe that the education of children is the responsibility of parents. The school exists as an extension of the home to assist the parents with this responsibility. All instruction must have the Bible as its base. Its main purpose is to assist parents to bring their children unto conformity with God’s revealed will so that every person may be presented perfect before Christ. The child needs to prepare to be a productive member of society and the body of Christ.

We believe we are to follow Philippians 4:8 and teach our children to do the same:

Brothers, whatever is true, whatever is noble,
whatever is right, whatever is pure,
whatever is lovely, whatever is admirable
if anything is praiseworthy
-Think about such things.

DOCTRINAL STATEMENT

Purpose and Objectives-102

We believe in one triune God who is personal, spiritual, sovereign-perfect, infinite, self-existent and self-revealing in three distinct persons--The Father, The Son, and The Holy Spirit.

We believe in the Lord Jesus Christ, the only begotten Son of God, who was born of a virgin birth, lived as both true God and true man, died on the cross as a sacrifice for our sins, rose from the dead, and is the advocate and intercessor for man with God. Jesus Christ is the eternal Word, the source of all knowledge and wisdom. It is only through faith in Jesus that man can receive the free gift from God of salvation and eternal life in heaven. Christ will return to earth a second time to resurrect and translate all those who have accepted His gift of salvation. He will judge every man, and non-believers will be cast into the final place of everlasting judgment.

We believe in the Holy Spirit who indwells the child of God to empower him to live a Holy Life. It is the Holy Spirit who guides and teaches the believer in truth. He enables the believer to know that which the non-believer can never know.

We believe that man is the direct creation of God and in NO way the product of an animal ancestry. By direct disobedience to the revealed will of God, man became and is sinful and the progenitor of a fallen race. Within himself, he has no possible means of recovery or salvation. Man is to live a righteous life and do good works, not in any sense as

the procuring cause of salvation, but as its proper evidence and fruit. He is to have no fellowship with evil ways of unclean habits that defile mind or body.

We believe in the existence of Satan, who through unlawful ambition, rebelled against God and thus became utterly depraved. He is the deceiver and god of this world, but is defeated and judged at the cross. The child of God is able to resist and overcome him with God's armor and Christ's blood.

We believe in the Holy Scriptures as the inspired Word of God without error. It is sufficient as our infallible rule of faith and practice. It is the basis for all truth. Its truth is eternal, not material or temporal. All knowledge and wisdom must be based on God's Word.

THE PURPOSE/MISSION OF TYRO COMMUNITY CHRISTIAN SCHOOL

Purpose and Objectives-103

It is Tyro Community Christian School's exclusive purpose to educate elementary and secondary age students.

It is further the position of the Board, that as God provides, we will provide facilities, curriculum, staff, and support services necessary to educate all children who desire to attend TCCS.

We believe the school to be an extension of the home to assist the parents. Our goal is to provide a Christ-centered educational atmosphere where principles are taught and nurtured which will build stable minds and productive members of society.

STATEMENT OF GOALS

Purpose and Objectives-104

The goal of TCCS is to develop Christian character and leadership through purposeful work, earnest scholarship, vital participation, and Christ-centered living.

SPECIFIC OBJECTIVES

Purpose and Objectives-105

The specific objectives of TCCS include:

A. SPIRITUAL

Purpose and Objectives-105.1

1. To develop within each student a wholesome spiritual life, consistent with the Word of God.
2. To stimulate devotion to God in public and private worship.
3. To foster a spirit of prayer, a missionary vision, and an aggressive spirit of evangelism dominated by Christian love and concern.

B. INTELLECTUAL

Purpose and Objectives-105.2

1. To train the student to think logically and to express himself/herself clearly and effectively.

2. To stimulate his/her curiosity and awareness of the world about him/her, including the knowledge of the sciences and the use of the scientific method.
3. To impart knowledge of the background, faith, and ideals of Christianity, thus stimulating the student to become a better Christian and to assume a Christian role in further education and in life.
4. To encourage participation in Christian music, speaking, and leadership responsibilities.
5. To impart the practical knowledge or skills that will equip each student not interested in or capable of further academic training to take his/her place as a self-sufficient citizen.

C. PERSONAL

Purpose and Objectives-105.3

1. To develop an appreciation for and an adherence to Christian standards of conduct.
2. To help each student gain a more objective and fuller understanding of himself /herself, and to realize, to the fullest degree, the potentials of his /her personality.
3. To develop good health habits.
4. To strengthen and build strong bodies and to foster the constructive use of leisure time.

D. SOCIAL

Purpose and Objectives-105.4

1. To cultivate a right balance between social privileges and responsibilities.
2. To help each student become sensitive to his/her moral responsibilities and to display such virtues as honesty, justice, self-control, courage, and love.
3. To instill within each student the proper consideration of other's time, property, privacy, and spiritual life.
4. To create the ideals of fair play and Christian sportsmanship within each individual.
5. To foster an appreciation for, respect of, and a desire to perpetuate our Christian American heritage including the worth of the individual, the dignity of work, the value of the competitive free enterprise system, and the advantages of democratic forms of government.

RELATIONSHIP BETWEEN HOME AND SCHOOL

Purpose and Objectives-106

Our children are our most treasured gifts from God. Our love for them leads us to bring them up in ways to the best of our abilities. They will be the church of tomorrow and the backbone of our great country. It is vital that they develop the necessary skills and attitudes to make them faithful, responsible, and mature their lives. We believe the school, in

support of the Christian home, is one of the best agencies to equip our children to lead responsible, wholesome, productive, and mature lives.

We believe that the Christian school should be an extension of the home, existing to supplement the parents. It should not take the parents' place nor oppose them. It should strengthen parent-child ties not weaken or destroy them.

We believe it is important that all students gain an appreciation of God's handiwork and a reliance on His wisdom and authority in their daily affairs.

Therefore, we would request that you look at the school as a partner to the home in the educational and spiritual task before us.

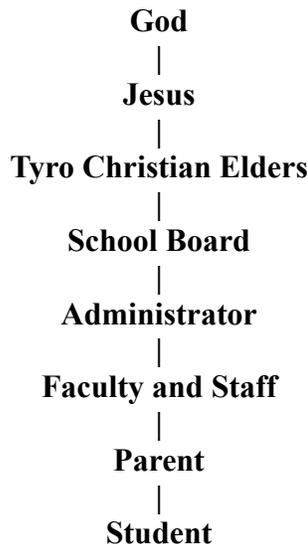

We welcome your participation in all school activities and programs. Parents are invited to become familiar with our entire staff, especially their children's teachers. You are always welcome to discuss problems with the teachers or the administration.

Organization of the Tyro Community Christian School

Administration-201

TCCS is a ministry of the Tyro Christian Church. We have a School Board that oversees, directs and establishes policies for the school. TCCS is under the authority and direction of the elders of the Tyro Christian Church.

Organizational Chart

We assume that most of our parents consider the Word of God clear in making Christian parents responsible for the education of their children. This education is not simply in the counsels of God revealed in His Word, but also in the counsels of God revealed in His work. We assume that, as parents, you desire your children educated at home and at school with the consciousness that all truth is God's truth, and that Jesus Christ is central in all truth—not simply in the Word, but in the whole universe. As parents, you have placed your

children in TCCS so that a Christian staff member, whose outlook and projection is Christ-centered, may function as an extension of the home assisting teaching, exercising discipline, and in being examples of self-control that ultimately leads to Christ-control, while your children are at school.

In the spiritual, educational, and physical management of TCCS, parents have delegated responsibility to the Tyro Christian School Board, which is legally responsible for the school. The Board, serving as the policy-making body, has in turn delegated administrative control of the school to the administrator, who is responsible for the total administration of the board policies. The Board is overseen by the Eldership of the Tyro Christian Church.

We want the Lord Jesus Christ and His will to be the standard for our staff members, our students, and our parents. We want to be dissatisfied with anything other than our best... especially in a world of mediocrity. We want the wisdom of our staff members to be that, which comes down from above, which our God the Father is willing to supply in answer to prayer.

Attending a Board Meeting

Administration 203.1

Parents/guardians, students, and staff are welcome to attend regular school board meetings to present concerns, etc. It is expected that you contact the school administrator or Board Chairman in order to be included on the next month's agenda.

Executive Sessions

Administration 203.2

Since there are occasions when items of extreme privacy or emergency must be dealt with, the Board may meet in Executive Session. These meetings will include only board members and any staff member, parent, or student directly requested to attend.

Textbooks

Business Operations-302

Textbooks are loaned, not sold to students. They remain the property of the school at all times. Students must return textbooks to the teacher at the end of the year or upon leaving school. Failure to do so, loss of texts, or damage beyond normal wear will result in the student paying for the book.

Scholarships

Business Operations-303

Tyro Community Christian School Tuition Assistance Program

Business Oper-303.2

The Tyro Community Christian School Tuition Assistance Program exists to help families with the expense of Christian education at Tyro Community Christian School.

The program is funded by donations from concerned individuals and churches. Any family enrolled at Tyro Community Christian School may apply, however, preference will be given to new students.

Applications may be picked up in the school office. All applications must be received by July 1st. Late applications will be considered, as funds are available. A letter of reference from the applicant's pastor or a church official must accompany all applications.

Fundraisers

Business Operations-305

It is our desire to keep tuition costs as low as possible yet at the same time provide a quality education for your children. The school relies on fundraisers to provide funds not provided from tuition. Therefore, in order for us to keep tuition costs down, it is essential for **every** family to be involved in fundraisers.

Staff Qualifications

Personnel-402

The following are the qualifications each staff member must have to teach at TCCS:

1. He/she must hold a teaching certificate, have an education degree, or have completed a Master's degree.
2. He/she is a devout, faithful Christian.
3. He/she sees himself/herself as being called by God to be a teacher, or as a person who enjoys and feels proficient in his/her teaching.
4. He/she is willing to grow and change in all areas so as to maintain a high standard of teaching professionalism.
5. He/she cooperates and communicates fully with parents so as to assist each other in the development of the student.

Admission Policy

Student Policy-501

Tyro Community Christian School is open to anyone interested in securing a Christian education, from preschool through high school. We are not yet equipped, however, to work with the physically handicapped or severely learning disabled. The following are basic standards for entrance into Tyro Community Christian School:

1. Parents should be in agreement with our objectives and should be willing to actively support our educational program.
2. The student must have a sincere desire for a Christian education, and he/she must be willing to submit to the standards and regulations of our school. Junior high and senior high students and their parents are required to sign a code of ethics.

3. The applicant's record of behavior in his/her home, community, school and church must indicate that we at TCCS can be reasonably sure that the applicant's citizenship in our school will be acceptable
4. The student must be of suitable age for the grade assigned. Children entering kindergarten must be five years of age on or before September 1 of any school year.
5. The administrator, prior to admission, must interview all applicants and parents.
6. All students are to be immunized according to the governing laws of the State of Kansas and the Montgomery County Health Department.
7. No student who has been expelled from his/her current school will be allowed to enroll at TCCS.

Non-Discrimination

Student Policy-502

Tyro Community Christian School does not discriminate on the basis of race, sex, color, or national origin in administration of its educational policies, admissions policies, and athletic and other school administered programs.

Tuition and Enrollment Payment and Policy

Student Policy-503

Tuition and fees are due and payable according to our year's schedule. Enrollment requires a commitment on the part of the school to provide a year's education, and commitment on the part of the parents to pay the agreed fees and tuition for their child/children.

All fees and tuition are non-refundable. If a student withdraws due to special circumstances, then Tyro Community Christian School has the right to determine the status of fees and tuition. Parents should submit any requests in writing for our consideration.

Our policy is to allow parents to pay tuition in installments. We have found that the easiest way to do this is merely divide the tuition by ten, and then you may make ten monthly payments. The Administrative and Book Fee is due upon enrollment the first week in June.

TCCS uses the services of FACTS tuition management to manage our tuition collection. All tuition payments are handled through FACTS.

Each new school year we have start-up costs consisting of new equipment and furniture purchases, new curriculum and materials to be purchased, repair or renovation of our facility and grounds, etc. Thus, to have the best possible program and school, we have the following tuition payment schedule:

1. The Administrative and Book Fee is due the first week in June. There is a \$50.00 additional charge if paid after June 30th.
2. Tuition and Bus Fee is divided into ten monthly payments. The first payment is due August 5st and the final payment is due April 5th.
4. If there is a problem with payment, please contact the school office and let us know the situation – this may often avoid the \$10.00/month late charge. We wish

to help in this area and understand occasional circumstances and difficulties. Communication with the school is important.

If the account is two months past due, your child may be asked to withdraw from school. The school reserves the right to withhold records of any student whose account is delinquent. Please keep your own personal record in case there is ever any question about your account. The school can discontinue student attendance due to lack of a scheduled tuition payment being made.

Student Accident Insurance

Student Policy-503.3

The school will provide student accident insurance at a cost of approximately \$10.00/year. This fee is included in the Administrative and Book Fee. The insurance covers any accident that occurs at school or at a school activity. However, this is a secondary insurance. Your personal health insurance pays first and this policy will pay the remainder. Football injuries are excluded from the coverage.

Administrative and Book Fee

Student Policy-503.4

There is an annual Administrative and Book Fee for each student. The fee is due June 1st and is non-refundable. After June 30, there is an additional \$50.00 added to the fee. This fee pays for rental of books, testing materials and scoring, accident insurance, media center fee, music fee for grade school, student ID cards for high school, and other administrative costs.

Release of Transcripts

Student Policy-503.5

Transcripts will not be forwarded to another school if a student has an outstanding balance on his/her account.

Delinquent Accounts

Student Policy-503.6

Any individual with a balance from a prior year wishing to re-enroll at TCCS must have a contractual agreement with the school for the amount owed. Additionally, the first month that individual is delinquent, a note will be sent to them instructing them to contact the office. The second month the individual is delinquent; notice will be given that the child will be removed from the school at the end of the third month.

Adopted 07/21/02

Delinquent Accounts (Seniors)

Student Policy-503.61

Seniors will not be allowed to “walk” at graduation to receive their diplomas if accounts are not paid in full.

Attendance

Student Policy-504

Full, daily, uninterrupted attendance is crucial to the total development of the student. Therefore, regular, daily, punctual attendance is expected. If there must be absences for appointments, other than dental or doctor appointments, they should be made during non-school hours if possible. Your cooperation in this area will be of great help to each student and teacher.

Absences

There are two types of absences: excused (death in the family, emergency medical treatment, sickness, or an absence prearranged with the administrator) and unexcused (anything not mentioned under excused).

IF YOUR CHILD IS ABSENT:

1. Please call the school if your child will be absent that day prior to the beginning of school.
2. Or, your child must bring a note from a parent or legal guardian explaining the absence and present it to the office or classroom teacher during the start of class time the next day.

It is the student's responsibility to get the assignments that he/she missed and make up the work in a timely manner.

Excessive Excused Absences

Students will be warned and a note sent home after the fifth absence of a semester. After ten absences, the parents and student will be informed of the loss of credit due to excessive absences. They may appeal this decision to the administrator.

Unexcused Absences

Three unexcused absences will result in further disciplinary action.

Prearranged Absences

Parents may prearrange an absence with the administrator. In order for a prearranged absence to be excused the **parent must fill out the necessary paper work and leave it with the administrator the day before the absence.** Prearranged absences are not allowed during the week of SAT tests or finals week. Students are responsible to get the work they will miss and turn in their assignments the day they return to school. If a test is to be given the day of the absence the student may arrange to take the test the day before the absence or take it the day they return. It is the responsibility of the student to turn in all assignments and

take all tests the day they return from the prearranged absence. Any assignment not turned in on that day will be considered late.

Tardy Policy

Student Policy-504.1

Punctual and regular attendance is necessary in a well-ordered school, both for proper training of the individual student and to avoid disruption of classroom procedures.

The pupil who is tardy wastes not only his/her own time but also the time of the other students who are members of the class that the late pupil distracts upon entry.

Classes will begin precisely at the appointed time. Anyone arriving late will be considered tardy.

Tardy Policy (Junior High and Senior High Students)

On a student's third tardy in any class within a nine-week grading period, he/she will be required to serve one 20-minute detention. On the fourth tardy, the parents will be notified and the student will serve another 20-minute detention. Subsequent tardiness will result in further disciplinary action including but not limited to detention, suspension, or expulsion from school.

Truancy

Student Policy-504.2

If a student is not in class and does not have permission from his/her parent and/or the school administration to be absent, he/she is truant. If a student is truant, the following discipline will be administered:

1. The student will be suspended from school for three days. (In-school or out-of-school suspension is to be determined by the administrator.)
2. The student's parents will be notified.
3. The student could be dismissed from the school depending on his/her attitude and response to discipline.

Dress and Appearance

Student Policy-505

The purpose of these guidelines are to: establish tone of acceptability of dress; to point out those items which seem inappropriate; and to guide parents as they shop for school clothes as to standards of acceptability. These guidelines apply to the regular school day as well as special activities such as programs, etc.

Theme: Dress in a manner that will bring honor to God, the One who made you.

General: Oversized, baggy jeans will not be allowed. No tattoos or unnatural hair color (i.e. blue, bright red, green, etc.). Sunglasses, hats or colored glasses may not be worn in the building. Shirts with logos or endorsements are allowed as long as

they are not of an offensive nature as deemed by the administration. (Example of offensive: tobacco or alcohol advertising, secular music groups, anti-Christian messages, MTV shirts or shirts that advertise a drinking establishment)

Girls: Wear dresses, skirts, lady-like (full-length) pants, nice jeans with no holes, and blouses that promote modesty, cleanliness, and good taste. Shorts, tights, leggings, form fitting "stretchy" pants, midriff shirts, wind suits or sweats, skorts or culottes are not acceptable. Dresses or skirts should not be shorter than the width of a dollar bill from the middle of the knee. When the dress or skirt is covered by sheer or see through material, the dress or skirt under the sheer material must meet the dress code. Long dresses are most appropriate for evening programs and on cold days. Shirt tails are to be tucked in with the exception of shirts that are designed to be worn untucked. (If a shirt is too short to keep tucked in, it should not be worn to school.) Shorts may be worn under normal length skirts. The outer garment (skirt) must be longer than the shorts underneath. Play clothes and abbreviated wear are reserved for party times or special recreational activities. Only ear piercing is allowed; any other piercing is unacceptable. Hair must be kept neat and clean. Shaved hairstyles are not acceptable. Sleeveless shirts are not allowed. Girls may wear sandals (with a strap around the heel), but not flip-flops. Kindergarten through sixth grade girls may wear loose fitting, mid-calf length Capri pants.

Junior and senior high students are required to dress up for chapel. Girls must wear dresses or skirts unless the wind chill is 20 degrees or below at 7:00am in which case girls may wear slacks.

Boys: Wear good tough pants or jeans that look nice (no holes). Shirrtails must be kept tucked in and all buttons buttoned, except for the collar button. Avoid the patchy, casual look, cutoffs, tank tops, sweats or wind suits, and shorts. Plain white tee shirts are to be worn only on designated sports days or at recreational events as announced. Hair is to be kept trim and moderate (1/2 inch over the ear and off the collar). No beads, earrings or excessive jewelry. No open toed shoes or sandals. Facial hair is not acceptable.

Junior and senior high boys are required to dress up for chapel. They must wear nice pants, a button-down shirt and tie.

If a student comes to school wearing something that does not meet the dress code, he/she may be required to return home and put on something that is appropriate. Or, he/she may be required to wear some appropriate clothing that is kept on hand at the school. Continued disregard for the dress code may result in dismissal from school.

LOOK SHARP, FEEL SHARP, YOU'LL DO BETTER WORK!

P.E. Clothes

Student Policy-505.1

No sleeveless shirts are allowed. Plain tee shirts may be worn. Shorts should be at least mid-thigh in length and not tight.

Formal Dress Code

Student Policy-505.2

Dresses must be long enough to pass the dollar-bill width requirement of the school dress code.

Top of slits cannot be any shorter than the required dollar-bill width requirement of the school dress code.

No cleavage can show.

Shawls or shrugs must be worn if dress doesn't have both shoulder straps.

No clingy or extremely tight material is allowed.

No see-through material or cut-outs are allowed.

Back of dress cannot be lower than halfway between waist and bra strap.

These are intended to provide guidelines when choosing a formal dress for banquets, homecoming, etc. Modesty is our goal.

Discipline

Student Policy-506

Introduction

Discipline and responsibility are two essential factors in providing a complete education.

God's Word indicates that we are to be disciplined and responsible, not only to attain something, but because it is the right thing to do.

Students need to apply themselves in spiritual, academic, and physical areas of development. Often they tend to choose one area over another, neglecting things they find difficult or uninteresting. Experience teaches us that all students need a well-rounded education before they specialize and are ready to discover their greater strengths.

The Scriptures clearly speak to what we are sharing in Hebrews 12:11, "For the moment all discipline seems painful rather than pleasant; later it yields the peaceful fruit of righteousness to those who have been trained by it." Hebrews 12:3-16 speaks to this also.

Our children are looking for guidance and direction. Children actually expect to be disciplined and are much happier in a state of reasonable regulation. Teachers and parents realize that good discipline procedures are an essential part of a teacher's job responsibility. The teacher is always in authority and that authority must be respected at all times. Students who refuse to accept the Tyro Community Christian School's standards of discipline will be dismissed.

Rules in View of Good Discipline and Responsibility

Rules are obvious necessities for good, healthy, happy, safe lives. They can be endless. All new things bring about rules.

We do not wish to overwhelm students with rules and regimen, but we do realize their necessity. Therefore, we have determined a simple, general, basic set of rules that all can easily learn and benefit from. They allow for flexibility and establishing of rules when the need arises. We believe they take into account the developing of good common sense and wisdom. Thus, our rules are also designed to further the total Christian education process. They are as follows:

- | | | |
|---------|-------------------------------|---|
| Rule #1 | James 4:17 | “Whoever knows what is right to do and fails to do it, For them is it sin.” Or, “Do not do things that you know Or suspect to be wrong or unsafe.” |
| Rule #2 | | If you are not sure if something is right or wrong, do not do it! Ask a teacher or school staff person if it is right or wrong, and what you should do. |
| Rule #3 | James 1:13-14 1 Cor. 10:13 | We tempt ourselves and temptations to do wrong can be overcome. Or, “You do not have to do wrong.” |

If you do wrong, then it is your own choice and you are at fault. Therefore, correction, punishment, or discipline is a beneficial necessity that must then be enforced.

Tyro Community Christian School reserves the right to discipline all students. All discipline efforts will be designed to suitably fit each individual situation/offense. Discipline options include staying after school, the loss of recess time, written work, exclusion from a school activity, paddling, suspension, or expulsion.

Detention Policy

Student Policy-506.1

Detention will generally be given to secondary students for conduct that is not appropriate including but not limited to: direct disobedience, tardiness, or poor attitudes. Detention will be served after school on the day following the offense. Detention will be assigned in 20-minute segments up to one hour per day. A different teacher is assigned to supervise students serving detention each day. The student will report to the classroom of the supervising teacher.

Suspension Policy

Student Policy-506.2

The administrator may place a student on in-school or out-of-school suspension as deemed necessary. An in-school suspension student is required to report to school but is isolated from his/her peers. All work assigned during the suspension must be completed and turned in for credit.

Out-of-school suspension consists of not being allowed on campus or at school activities for a specified number of days. The student will receive a zero on all work assigned for credit during the suspension.

Unacceptable Behavior

Student Policy-506.3

Students at TCCS are asked to behave in a Christian manner, both in and outside the school. There are several things that a Christian should not be involved in and are forbidden at TCCS. Participation in this behavior is grounds for dismissal from the school.

1. Smoking
2. Drinking alcohol
3. Use of illegal drugs
4. Premarital sexual relations
5. Stealing
6. Destruction of church or school property
7. Same sex relationships (homosexuality)

Students who are involved in any of these behaviors at the time of application will be denied admission to TCCS.

Hands Off Policy

Student Policy-506.4

Students are not allowed to participate in hand holding with the opposite sex or engage in close physical contact with the opposite sex during the school day or while attending a school-sponsored activity. We expect all boy-girl related conduct to be in accord with the highest of Christian ideals and principles.

Playground Rules

Student Policy-506.5

1. When the whistle is blown, students should FREEZE—then wait for further instruction.
2. Students need to line up at the east double doors and wait quietly for playground supervisor to take them out.
3. No running going out to or returning from recess.
4. Outside, students should line up at the designated place after recess. After lunch, students should get lunch boxes then get in line.
5. Students at no time should leave the playground or return to the building without permission from the playground supervisor.
6. If a ball goes across the street, students need to ask permission before going to get the ball.
7. Equipment is to be used for its intended purpose only.
8. At lunchtime, students should eat at the tables.

9. No climbing on or over the fences.
10. No balls or jump ropes in the morning before school begins.

Indoor Rules

1. Students may only play catch on $\frac{1}{2}$ of the court. No throwing balls the length of the court.
2. Students should not play on the stairs.
3. Students should remain at the lunch tables until their lunchtime is over.
4. A few minutes before lunch is over, students assigned to do lunch duties should begin.

Duties include:

- a. Wipe off tables and wipe out microwaves.
- b. Sweep the floor.
- c. Set up the tables.

Probation Policy

Student Policy 506.6

Probation may be enforced in two ways.

First: A student may be put on probation for a certain time period when he/she enrolls. The probation is generally enacted because of poor grades or discipline problems in a previous school. The duration and terms of the probation are to be established by the administrator.

Second: A student may be put on probation during the school year. The probation is generally enacted because of poor grades or discipline problems at TCCS. The duration and terms of the probation are to be established by the administrator.

SEARCH AND SEIZURE POLICY AND PROCEDURES

Student Policy-506.7

Tyro Community Christian School shall maintain a safe, healthy environment for its students, faculty and staff at all times. Therefore, TCCS and its staff have the right to perform unannounced searches and to seize contraband.

TCCS has the right to perform physical searches of students, school property (e.g. student lockers, desks), and the personal property of students (e.g. backpack, purse, pockets, gym bag, student automobiles or other personal property) to determine whether there exists any danger to students and/or faculty of the school.

Contraband is any and all substances or material prohibited by school policy, state or federal law, including, but not limited to, controlled substances, drugs, alcoholic beverages, cigarettes, guns, knives, weapons or incendiary devices.

All personal searches will be performed in a manner that is respectful of the norms of decency and the emotional maturity of the individual. A school representative of the same sex

as the person being searched will conduct the search in private, with an adult witness of the same sex present, and only upon approval of the school Administrator or a designee. The student's parents will be notified of the search as soon as reasonably possible.

All student desks, lockers and school computers are the property TCCS and are at all times under the control of the school. School authorities may perform general inspections of desks, lockers and school computers at any time without notice, without consent and without a search warrant.

Adopted 03/12/13

Weapons

Student Policy-506.71

The possession of dangerous weapons such as guns, knives, etc. on campus or at a school-sponsored event will be cause for expulsion.

Smoking

Student Policy-506.8

Students are not allowed to smoke. It is a general feeling that we have the obligation to set standards that are consistent with God's Word, specifically honoring our body as the temple of the Holy Spirit. There is no question but that this habit cannot follow this principle.

Sports and Extra-Curricular Activities

Student Policy-507

In order to participate in sports or other extra-curricular activities students must maintain a "C" average in all of their classes. Students are expected to be in school the day of an activity in order to participate.

Sportsmanship

Student Policy-507.1

It is the policy of Tyro Community Christian School to promote and expect good sportsmanship in our students and fans at all competitive events. In line with that, the following rules of sportsmanship have been adopted:

1. Attitudes and behavior are at all times to be in line with Christian conduct that will be pleasing to God, bring honor to Him, and in no way jeopardize our Christian witness.
2. Fans and students are asked to be positive toward officials, coaches, players, and other fans, encouraging them and praying for them. If a fan does not have something good to say, he/she should be quiet.
3. The referees or other assigned officials are the authority in charge at any competitive event. They are to be respected, as we are to respect any other authority at all times, regardless of your opinion of the call.

4. Fans must recognize that the action of a coach in questioning an official's call does not necessarily reflect anger or displeasure with the official. There are times when the coach must try to get the official to change his/her call before the next live action, or the call can't be changed. Fans should recognize they are not being helpful in overzealously supporting the coach against the official.
5. Good sportsmanship includes respecting the facilities of other schools, obeying their rules however they may differ from our own, and in general doing nothing to make others not want our team to return.
6. There shall be no abusive behavior, vocal or otherwise.
7. There shall be no "booing" of officials, coaches, players, or other fans.
8. No negative cheers shall be used by either students or fans.
9. Payment of admission to enter a competitive event in no way entitles anyone to abuse or act contrary to this policy, and they may be asked to leave an event and or refrain from attending future events.

Much of good sportsmanship can be summed up in the Christian virtue SELF-CONTROL. "Be ye therefore followers of God, as dear children; and walk in love, as Christ also hath loved us, and hath given Himself for us an offering and a sacrifice to God for sweet smelling savor." Ephesians 5:1-2

Requirements to Letter

Student Policy-508

The school shall provide the pins for the letter. The jacket and emblem may be purchased at the Jock's Nitch in Independence or Gary's Sports in Coffeyville. Students may "letter" in the following areas:

Spiritual

Student Policy-508.1

Christian Service

Fulfill one of the following within a year:

1. Go on a mission trip (at least 3 days).
2. Be a counselor at summer church camp (one week).
3. Visit a nursing home at least ten times a semester.
4. Teach a Sunday school class for at least two quarters.

Worship

1. Attend your church and Sunday school every Sunday for a year.
2. Lead worship service for one semester (children's church, youth group, or adult worship).
3. Be recommended by your pastor.

You should let your pastor (or whoever is in charge of the nursing home or summer camp) know that you are working for a spiritual service or worship letter. Have them complete the letter requirement form (available in the office). Turn the form in at the office. The pins will be presented in the spring of each year.

Academic

Student Policy-508.2

Grades

| | |
|-----------|-------------|
| Freshman | G.P.A. 4.0 |
| Sophomore | G.P.A. 3.9 |
| Junior | G.P.A. 3.8 |
| Senior | G.P.A. 3.75 |

Sports

Student Policy-508.3

Baseball, Basketball, Football, Soccer, Softball, Volleyball

1. Have no unexcused absence from any scheduled practice or game.
2. Excel in sportsmanship.
3. Be recommended by the coach.
4. Have administrator approval.

Track

1. Have no unexcused absence from any scheduled practice or game.
2. Excel in sportsmanship
3. Win first or second place in a varsity meet.
4. Be recommended by the coach.
5. Have administrator approval.

Cheerleading

Student Policy-508.4

1. Have no unexcused absence from any scheduled practice or a game.
2. Excel in sportsmanship.
3. Be recommended by the coach.
4. Have administrator approval.

Fine Arts

Student Policy-508.5

Music and Art

1. Must be recommended by your teacher.

2. Receive a “1” (blue ribbon) rating in an ACSI meet (or comparable competition) or demonstrate exceptional ability in their field.
3. Work must meet a high moral and artistic standard.

Student Council

Student Policy-508.6

1. Be an elected officer: president, vice-president, secretary, or treasurer.
2. Participate in Student Council activities.
3. Be recommended by the Student Council sponsor.

National Honor Society

Student Policy-509

Students will be identified from the student roster who are eligible for membership in National Honor Society because they have a grade point average of 3.75 or higher and have reached the beginning of their junior year

Using faculty evaluation forms, members of the faculty assign value to each candidate’s service, leadership, and character. The evaluation is based on a four-point scale, four being high and one being low. Ratings of “two” or “one” will be followed by comments indicating what circumstances led to this below-average rating. At the meeting of the faculty council for selection, such ratings can be added up or averaged. Students with a rating of eight or above shall be chosen.

An evaluating form shall be collected from all faculty members of junior high and senior high students, even if some faculty members provide no rating because they have never taught, coached, or advised any of the candidates.

Busing Service

Student Policy-510

TCCS provides busing service as a convenience to families. Seating is limited and riders are accepted on a “first-come basis.” Parents interested in this service must contact the school office and sign a contract before a student may ride the bus.

If your child rides everyday and has guests come to your home after school, you must approve it through the office. If the bus is full, you may have to arrange other transportation for that day.

Please, as much as possible, make arrangements for transportation home from school with your child **before** he/she leaves home in the morning. Try to avoid calling the office to make these arrangements. Of course, we realize that circumstances may change during the day and we will be happy to relay messages. This should be the exception and not the rule.

Students are expected to be respectful to the driver and to the other riders. Improper behavior may result in suspension or termination of bus service.

Bus payments will be added to tuition and other charges and handled through the FACTS system. There is a minimal charge for riders who ride occasionally. Payment is due the next day.

School Bus Rules
Policy-510.1

Student

1. Always be courteous and respectful to the driver and those around you.
2. Do not stand or leave your seat while the bus is moving.
3. You may talk quietly, but no shouting or loud noises.
4. Do not throw anything in the bus or out the bus window.
5. Keep your hands off other people's property and keep your hands to yourself.
6. Remain seated on the seat, facing forward, with your feet on the floor. Keep your personal property out of the aisle. Never block the emergency door exit.
7. No eating or drinking on the bus.
8. No walkmans, radios, Game Boys, or other electronic equipment is allowed on the bus. (Unless allowed by the driver, these items will be taken away and given to the administrator.)
9. Obey the bus driver.

Academics

Academics-600

Elementary School Program

The daily curriculum activities include the following subjects: Bible, reading, phonics, English, and math.

Complimentary curriculum activities include the following: music, computer, social studies, art, science, drama, etc.

Extra-curriculum activities include basketball, cheerleading, soccer, and track.

Secondary School Program

The daily curriculum activities include the following subjects: Bible, English, math, history, and science.

Complimentary curriculum activities include the following: music, computer, yearbook, and art.

Extra-curriculum activities include baseball, basketball, cheerleading, football, soccer, softball, track and volleyball.

Students have the opportunity to participate in student council and/or worship team.

Curriculum Goals

A key aspect of our curriculum program is an extensive amount of reading, writing, and speaking to develop student proficiency in verbal and written communication skills.

Students who read, write, and speak well will be prepared for higher education or to enter the job market.

Elementary Curriculum Goals

Basic areas:

1. Phonics (Grades K-4) Students learn rules and sounds. Phonics is our foundation for reading and spelling.

2. Reading Reading is required and encouraged through various positive incentive programs.

3. English Theme writing, vocabulary words, book reports, short stories, creative writing, and poetry are just a few of the activities used to provide a complete and comprehensive English study.

4. Math Students work to master basic grade level skills—addition, subtraction, multiplication, and division before advancing to higher-level tasks.

5. Science This area is approached through reading, lectures, demonstration, and project work. Practical, applicable, and “hands on” science through a Christian perspective is emphasized. We teach origins from a strict creationist model from the Genesis account.

6. Heritage Social Studies are approached through the areas of geography and history, encompassing local, state, national, and world divisions.

7. Bible All students have a daily study of the Scriptures. Scripture memorization and Bible study are an important part of each day. The curriculum is designed to build Christian character using examples from the Bible. The students not only learn the facts, but they also learn how to apply biblical truths to their daily lives.

NOTE: All students are required to have the same Bible text. We will be using the New

International Version of the Bible. The school supplies a New International Version Bible for each student.

Secondary Curriculum Goal

Basic areas:

1. Bible
High school Bible includes the subjects of Bible study, methodology, the teachings of Jesus, the distinct perspective of the Christian worldview, and the truth and wisdom of God's Word for daily living. The curriculum is designed to help students grow in their experience of their relationship with God and mature in their understanding of the Word of God and their faith.
2. English/Literature
Students will graduate able to write well in either informative or persuasive style. They will know basic grammar skills for writing and also good research skills. They will be able to read and analyze literature of all types for application to their own reading and also their Bible reading. The students will be prepared for basic college work.
3. History
High school social studies includes the areas of United States and world history, geography, government and economics.
4. Mathematics
The goals of the mathematics department are two fold. First, we endeavor to instill our students with sufficient mathematical knowledge and skills to perform the necessary functions of personal business and so solve the problems associated with daily routine in society. Second, we prepare students to help them succeed in their study of higher mathematics at the college level.
5. Science
This area of study is approached through reading, lectures, demonstration, and lab work. Practical, applicable, and "hands on"

science through a Christian perspective is emphasized. We teach origins from a strict creationist model from the Genesis account.

Grading Scale

Academics-601

The grading scale at the elementary and secondary level is as follows:

| <u>Percentage</u> | <u>Letter Grade</u> |
|-------------------|---------------------|
| 100% - 90% | A |
| 89% - 80% | B |
| 79% - 70% | C |
| 69% - 60% | D |
| 59% - below | F |

GRADUATION REQUIREMENTS

Academics-602

Classification:

| | |
|-----------|------------------|
| Freshmen | 0 to 5 credits |
| Sophomore | 6 to 10 credits |
| Junior | 11 to 14 credits |
| Senior | 15 to – credits |

Students need a minimum of 24 credits to meet graduation requirements.

The following courses are required for graduation:

1. One unit of physical education and health.
2. Three units of math.
3. Three units of science (with one being a lab science).
4. Three units of social science, which shall include one unit of American History, and one unit of American Government (which must include the Constitution).
5. Four units of language arts (Freshmen through Senior English is required).
6. One half unit of typing or keyboard.
7. One unit of Bible for each year of attendance at TCCS.

Students are not allowed to graduate early without prior permission from the administration and school board.

Students must fulfill the graduation requirements before the graduation date in order to participate in the graduation ceremony. In the event of special circumstances permission may be obtained from the administration and school board to participate in the graduation ceremony and finish the graduation requirements during the following summer. The diploma will not be granted until all requirements have been met.

Concurrent Enrollment Policy

Academics-603

A student may request permission to be excused for up to three hours per day provided the following guidelines are met:

The Student...

1. Is a senior/junior.
2. Has at least 20 credit hours at the beginning of the school year.
3. Has a cumulative GPA of at least 3.0.
4. Is enrolled in a comparable amount of hours in a trade school or college.
5. Petitions the Board in writing with a request to be excused from TCCS.

Homework

Academics-604

It is the philosophy of this school, that after a child has been in a directed program for six to seven hours in the school, a change of activity is often needed. Time should be permitted for the child to engage in not only school activities, but also those of the community, the church, home, and the family. We approach the assignment of work with this philosophy in mind. Daily assignments are usually given so that the child who utilizes his/her time wisely will be able to complete much of the assignment in school under direct supervision. The individual who wastes time or has difficulty in basic skills and techniques may have homework rather consistently. Special assignments and projects often require homework and parent assistance. This policy varies with different age groups. Homework is more prevalent at higher-grade levels.

Stanford Achievement Tests

Academics-605

Each spring, Stanford Achievement Tests (SAT) are given to 2nd, 4th, 6th, 8th, and 10th grades. The purpose of giving the test is two-fold. First, it is one way for us to evaluate how your child is doing in school. Second, it evaluates the curriculum defining the strengths and weaknesses.

Be sure that your child is rested and ready to do his/her very best.

Remedial Work or Tutoring

Academics-606

Remedial work or testing may be recommended as a basis for admissions to the school or may become necessary during the school year if specific math or language deficiencies are detected by the teacher or through special testing.

Sex Education Classes**Academics-607**

Sex education classes at TCCS are presented from a biblical viewpoint. If students are instructed in sex education, permission will be obtained from the parent first. Parents are welcome to view the material before giving permission.

Daily and/or Homework Assignments**Academics-608**

All students will be required to do all of their assignments. Unfinished assignments may result in students staying after school (mandatory) to complete them. One day's notice will be given and the student will stay the next day. A daily assignment is like a daily job – routine is important. Students are graded heavily upon daily work and homework.

Visitors**General Policy-701**

During school hours, all visitors should report to the office.

Visiting Classrooms**General Policy-701.1**

Parental visiting in the classroom is encouraged and appreciated after the first month and prior to the last three weeks of the school year. Arrangements with the teacher in advance of requested visits will prevent possible disappointment for the parent as well as the over-excitement of the students resulting from too many visitors at one time. Classroom visits should not be too long. Small children shall not be brought into classrooms when visiting. Always check in with the school office before going to the classroom.

The Office**General Policy-702**

Please remember that the office is a place of business. Please exercise extreme caution in the types of things that are discussed in the office area in view of the use of this room by students, parents, and children. Please respect the secretary's need for reasonable order in the office for the satisfactory performance of his/her job.

First Aid**General Policy-702**

If students are injured, staff members may administer first aid only: wash the wound with soap, stop bleeding, and use band aids or other dry bandages. Prescription medicines (in prescription bottle) may be given to students only if accompanied by written authorization and specific instructions from parents. Medication is to be turned in to the office and administered by a staff member.

The office is no longer giving out Tylenol (or any other over-the-counter medication) without a written doctor's permit.

Infectious Diseases

General Policy-703

In an effort to protect the other students in the school, please do not send your child to school if he/she has an infectious disease. Any child found to have an infectious disease and is at school, will be sent home immediately.

Immunizations

General Policy-703.3

All students attending TCCS are to be immunized according to the governing laws of the State of Kansas and the Montgomery County Health Department.

Music

General Policy-704

Students are not to bring tape recorders, mp3 players, or radios to school (or any school function) except in cases where they are to be used for a school project. There are many tastes in music and some particularly rock (including Christian rock) are offensive to many people. Because of this, music that is contrary to the Word of God (Philippians 4:8) is not to be played on school grounds or while involved at any school activity, including travel to and from activities.

Fire and Disaster Drills

General Policy-705

Fire and disaster drills will be held as required by school policy and state law. All drills should be orderly, quiet, business like. Follow posted instructions.

Parent/Teacher Conferences

General Policy-706

Parent/Teacher Conferences are held each October and February. Parents of elementary students will be given a specific time to meet with your children's teachers. Conferences for secondary students are open in that the teachers will be available during specified hours for you to come at your convenience.

Parent/Teacher Conferences are held for you, as parents, to visit one-on-one with your children's teachers to better understand how well your children are doing in school. It is also an opportunity for you to share with the teacher your commendations and concerns.

Inclement Weather

General Policy-707

The administrator will determine, as early as possible, when weather or other conditions require school to be closed. Announcements of school closing will be made on radio station **KGGF AM 690, TV: Ch 2, 6, 8 Tulsa, and Ch 7 Pittsburg.**

Chapels

General Policy-708

Weekly chapels are held in the auditorium. Parents are welcome and encouraged to attend. Elementary classes present one chapel each semester. Secondary classes will present chapels as requested by the administrator. Plan to visit; you will be blessed.

Miscellaneous

General Policy-709

There are a few things not allowed at the school: mp3 players, comic books, magazines, and playing cards. If you would like to bring one of these items for some special purpose, the student must first get approval from the administrator.

Students (junior high and senior high) are to remain on the mezzanine before school.

Cell Phones

General policy-709.1

Cell phones are not to be used in the school building between the hours of 8:00 a.m and 4:00 p.m. Phones may be kept in lockers, pocket or purse but must be turned off. Students must have permission from a teacher or administrator to use their phone during the day. If a phone is being used during school hours it will be confiscated and kept by the school office.

Social Media Policy

General policy-709.2

Tyro Christian School recognizes the role and importance of social media in today's student culture. We embrace and affirm social media's role in helping students socialize, evangelize, encourage, and maintain friendships over distances. Social media (Facebook, Twitter, MySpace, weblogs, etc.) also provides students with unavoidable temptations. The purpose of this policy is to protect students from unwanted social media pressures, set the school's guidelines for appropriate behavior, and to encourage parents to take an active role in monitoring their child's usage and presence on social media websites. Students who violate our Social Media Policy may be given detention, suspension, or expelled for their actions. The severity of punishment will be determined by an administrator or the School Board. Student may not:

1. Post inappropriate or threatening messages about or to another student, faculty member, or administrator.
2. Post explicit photographs or videos of themselves or another student. Students should be reminded that explicit online photographs or videos of another student can constitute a criminal act.
3. Misrepresent, criticize, or denigrate the school or its employees in any way.

4. Use social media to share homework, quiz, or test answers.

Field Trips

General Policy-710.1

The administrator must authorize all field trips. Field trips usually relate to school studies that promote the Philosophy of the Christian School and enhance understanding in one or more curricular areas.

Field Trip Guidelines:

1. Parents are welcome to go on field trips. Please let the teacher know you would like to go along.
2. Be on time, both for leaving from the school and for any meeting times during the trip.
3. If transportation is provided by the school, only parents that have been asked by the teacher to help supervise may ride on the bus.
4. Remember the teacher is in charge. Please do not give students permission to go anywhere or do anything unless you have asked the teacher in charge first.
5. Do not leave the field trip to run personal errands. Stay with the group.
6. Please follow **all** rules the students are expected to abide by. Example: Do not chew gum if the students are not allowed to. NO gum, candy, food, or drinks on the bus.
7. Do not give your own children special privileges that the other students are not allowed to have. Example: If students cannot buy souvenirs, please do not let your child.
8. If you are driving your own personal vehicle, please let the group know if you need to stop for gasoline. Do not leave the group without letting the teacher in charge know.
9. It is Kansas State Law and the law of the school that in private vehicles all passengers use seat belts.
10. Field trips are a privilege. Have fun and remember to be a good witness!

Senior Trips

General Policy-710.2

The guidelines for senior trips are as follows:

1. The class and its advisor will decide the destination by their junior year.
2. The trip must have some educational or ministry value.
3. The students who go on the trip must participate in all group activities.
4. The administrator must approve the trip sponsors. Preferable a husband and wife (parents of someone in the class).
5. If there is any money remaining after the trip, it will be given to the general fund of the school.

Bus Drivers/Transportation

General Policy-710.3

We often need help in transporting students on field trips or for sports events. We require parents/guardians to complete a Volunteer Driver Application Form at the beginning of the school year if they wish to provide transportation to events. The administrator will approve drivers based on insurance information and accident/driver history. The application is effective for one school year.

Classroom teachers will inform parents/guardians of transportation needs throughout the school year.

TCCS also recommends that all parents/guardians who wish to provide transportation complete a Defensive Driving Course.

Stewardship of Property

General Policy-711

We are very fortunate to have such a fine church school facility. Our grounds and modern buildings are costly to maintain; therefore, we insist upon our students showing proper care and safety with respect to the facility usage. Careless conduct that results in damage will be charged to the student's bill.

Milk

General Policy-712

Milk is available for an extra fee at lunchtime. Teachers must make sure that milk is given only to those who have paid for it.

Telephone Calls

General Policy-713

Unless there is great need or an emergency exists, we request that parents do not call teachers or students to the telephone during the school day. If parents wish to speak to teachers, they are to call and leave word requesting the teacher to return the call. (Calls will be returned the same day in most instances, and definitely by the next day.) If parents wish to speak to their child, they may leave a message for the child to call at some convenient time during the school day.

Students are not to use the office phone except in case of emergency. Parents will be billed for long-distance charges incurred as a result of student calls from the school phone.

Therefore, students are encouraged to call collect or use a calling card.

Parents may also contact the teacher through Engrade.

Student Parking

General Policy-714

Students may only park in areas designated by the school administrator.

Student Use of Kitchen

General Policy-715

Students may not use the kitchen without permission from a teacher or staff member. Generally, students are not allowed in the kitchen without permission. Microwaves are available for use during lunchtime. Students are not allowed to use the refrigerators.

Church Attendance

General Policy-716

It is our desire that TCCS support the local churches in our area through the involvement of our students who will be able to develop Godly relationships and mutual accountability within their local church community. We do not proselytize for any particular church. We do, unabashedly, invite all of our students to a personal faith relationship with Jesus Christ. Our staff represents many Christian denominations and is expected to show respect to people of other Christian persuasions. Families searching for a church home will find many excellent opportunities represented in our school body. All students and parents are encouraged to become a faithful supporter at a local church body.

Fund-Raising by Student Organization

General Policy-717

Student organizations may participate in fund-raising. The funds may be used for sporting equipment, senior class trips, etc. All fund-raising by student organizations must be approved by the administrator. All funds must go through the school office and financial secretary.

Calendar

General Policy-718

At the time of final enrollment, you will be given a school calendar for the coming school year. Each month, a calendar is sent home with each student with events and important notes outlined. The monthly calendar, if different from the yearly calendar, supersedes the yearly calendar. Be sure you check with your children for the monthly calendar.

Non-Discrimination

General Policy-800

Tyro Community Christian School does not discriminate on the basis of race, sex, color, or natural origin in administration of its educational policies, admissions policies, and athletic and other school administered programs.

Open House

General Policy-719

Open House is an exciting evening! Students work hard to prepare for this special night. It is an opportunity for you to visit your children's classrooms, meet your children's teachers, their classmates, and the classmates' families.

Just a reminder, this is not a time for a parent/teacher conference. If you need to have a conference with a teacher, call the school office for an appointment.

Check the school calendar so you will not miss this event.

School Hours

General Policy-720

| | |
|-----------|------------------------------|
| 8:25 A.M. | Students line up for classes |
| 8:30 A.M. | Classes begin |
| 3:30 P.M. | Students Dismissed |
