The Doubting Shepherd

Can God Use people that others consider the least? Come hear the answer as you join us for the TCCS Elementary Christmas program. "The Doubting Shepherd" Sunday evening December 10th at 6:00 p.m. in the church auditorium. There will also be a performance December 8th at 2:30 p.m. for those who cannot make the Sunday performance.

Ring Those Bells!

Our high school students will be ringing the bells for the Salvation Army again this year at area stores the afternoon of December 7th. This will be a great opportunity for our students to be involved in a worth-while cause.

The students will rang at Wal-Mart, and Country Mart in Coffeyville and Wal-Mart and G&W in Independence.

Books, Books, Books!!!

Cari Cusick who volunteers as our school librarian writes: Thanks to the support of our school community during the Usborne Book Fair, we earned 62 new books for the school library, and several books were also donated to our elementary school and preschool classrooms. These books will be available for checkout soon in our library! Thanks to everyone who supported this effort! ---Thank you Cari and Ashley for all you do to make the library a special place.

Christmas Parties

December 20th will be a fun day of parties and ministry. The Junior High and High School students will be caroling at the Windsor Place assisted living facilities in Coffeyville. The students will make ornaments and cards for the residents. They will enjoy cookies and hot chocolate when they return to the school

The grade school students will have individual class parties. If you would like to help with your student's party please contact his or her teacher.

Why Christian Education?

The goal of TCCS is to develop Christian character and leadership through purposeful work, earnest scholarship, vital participation, and Christ-centered living.

As a school, our number one goal and purpose is to develop Christian character in our students. Everything we do is designed with this goal in mind. That's what is distinctive about Christian education. A student's relationship with Christ comes first. That relationship is best fostered in the "God Centered" environment of a Christian school.

Remember, Christmas break begins Dec. 20th!!!

Unfundraiser

This year we tried something different for our fall fundraiser. Instead of selling something we decided just to ask for donations from those who are interested in Christian education.

The Unfundraiser was a huge success. God has blessed us in so many ways. Thank you to all who donated to the school during the Unfundraiser. All the money we raised will help us further the Lord's work here at TCCS. So far the fundraiser has generated over \$7,000. We are still receiving donations so we will report on the final tally after the first of the year.

Teacher's Fund

The TCCS staff view their work as a ministry, they are not in it for the money. They work for less than half of what their public school counterparts make.

Two years ago the school board set up the Teacher's fund to help teachers with unexpected expenses. Teachers can request money from the fund when these needs arise. If you would like to donate to this fund please mark your check "Teacher's fund".

End of the Year Gifts

Anytime is a good time to donate to the needs of the school but the end of the year is an especially good time. This year your gifts are more important than ever. We are encouraging everyone to prayerfully consider giving to help with our general fund. All donations are tax deductible. In order to take advantage of the tax deduction for 2017, we must receive your gift by December 31st.

"While they were there, the time came for the baby to be born, and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no room for them in the inn." Luke 2:6-7
